# skin maintenance

## **FACIALS** (Starting at \$125)

Are customized for your skin. Your facial will begin with a cleanse, then your Esthetician will analyze your skin to determine which skin care products are best suited for your treatment. The next steps will be exfoliation, facial massage, masque with steam followed by serums and sunscreen. Cryotherapy and extractions can be added on for an additional fee.

## **DERMAPLANE** (Starting at \$125)

A method of exfoliation that consists of using a 10-gauge scalpel to gently scrape the top layer of dulling dead skin cells in order to reveal a smoother, brighter complexion.

## **SILKPEEL DERMALINFUSION** (Starting at \$150)

A patented, non-invasive, 3-in-1 dermatological treatment that simultaneously exfoliates, extracts, and infuses skin with condition-specific serums for an all-inclusive treatment in one step. This treatment will improve fine lines and wrinkles, acne and melasma.

## **SKIN PRODUCTS WE CARRY**

SkinCeuticals, Skin Better Science, Elta MD, Glo Beauty, Neocutis, Topix Pharmaceuticals

# other services

## **LASER HAIR REDUCTION** (Starting at \$75)

Safe, comfortable and effective hair removal with a laser tailored to your skin and hair type. Great for women's upper lip, bikini, underarms, legs, men's back, neck, & shoulders.

## **IV THERAPY** (Starting at \$190)

Studies have found that IV Vitamins can be a great way to improve many health conditions and achieve optimal health and wellness. IV Vitamin therapy is an effective and efficient treatment at replenishing vitamins and minerals because it bypasses the digestive system, allowing for faster absorption.

# injectables

## **BOTOX/DYSPORET/XEOMIN** (Starting at \$13/unit)

An FDA-approved cosmetic treatment for fine lines and wrinkles. It works by relaxing the facial muscles that create wrinkles, leaving smoother skin and softening facial lines. You'll look years younger! Also effective for severe underarm sweating, also known as hyperhidrosis.

## **JUVEDERM XC/RETYLANE** (Starting at \$675)

Dermal fillers diminish the depth of facial folds and wrinkles. Most commonly treated areas are around the nose and mouth, smile lines, or to enhance or restore the volume in the lips. Acne, chicken pox, and other depressed scars can also be improved.

## **JUVEDERM VOLUMA/RETYLANE LYFT** (Starting at \$750)

Voluma/Lyft are dermal fillers designed specifically to correct age-related volume loss in the cheek area. It gives a subtle lift, helping to restore a youthful profile.

# skin rejuvenation

## **MICRONEEDLING** (Starting at \$375)

Microneedling is the insertion of fine needles into the skin for the purpose of rejuvenation. It reduces the appearance of fine lines, acne scars, and improves skin texture. We frequently add Platelet Rich Plasma (PRP) or Hyaluronic Acid (HA).

## **VOLUDERM** (Starting at \$500)

VoluDerm is clinically proven to reduce the signs of aging and regenerate the skin. Treatment is fast, with minimal discomfort and minimal downtime. Expect results such as tightening, firming, fine line and wrinkle reduction.

## **IPL & BBL PHOTO REJUVENATION TREATMENTS** (Starting at \$400)

State-of-art lasers improve sun damaged skin, freckles, and age spots. You will achieve smoother skin and a more even tone with little downtime. IPL & BBL Photo-rejuvenation can be performed on all body areas of light to medium skin tones.

### **LASER VEIN TREATMENT** (Starting at \$200)

Targets unsightly spider veins and broken capillaries on the legs and face. This non-invasive treatment offers great results with little to no downtime.

### **LASER ROSACEA TREATMENT** (Starting at \$400)

Rosacea is often characterized by redness on the cheeks, nose, chin or forehead that may come and go. Our advanced laser technology will reduce and eliminate the redness and flushing associated with rosacea. Requires multiple treatments.

### **NON-ABLATIVE LASER** (Starting at \$375)

Fractional, non-ablative laser for skin resurfacing and treatment of surgical scars, acne scars, stretch marks and reduced appearance of wrinkles - the only FDA cleared laser for this treatment.

### **ABLATIVE LASER** (Starting at \$2,000)

Fractional, ablative laser for the treatment of wrinkles, fine lines, pigmented lesions, scars, and textural irregularities. This one-time skin resurfacing provides dramatic results.

## body contouring

### **VANQUISH** (Starting at \$600)

The hottest trend in body sculpting and fat reduction. "Melt your fat away" with no downtime or discomfort.

### **TRIPOLLAR** (Starting at \$300)

Stimulates and renews your body's own collagen, improves texture, and tightens loose and sagging skin on your face, neck, eyes, stomach, knees, legs, and arms.

### **SCULPSURE** (Starting at \$250)

A non-invasive laser body contouring designed to reduce stubborn fat, helping you achieve a slimmer, more natural-looking appearance without surgery or downtime.

### **SKINTYTE** (Starting at \$450)

New advances in light energy have led to the development of a non-invasive treatment for skin laxity its known as SkinTyte. This treatment is a capable and effective way to firm and tighten your skin to give it a more youthful appearance.

### **ULTHERAPY** (Starting at \$750)

The only FDA approved device to lift and tighten the skin. The power of ultrasound goes to work deep below the skin's surface, reviving and creating new collagen. Ultherapy is also known as a non-surgical face lift and has no downtime. Great results are seen after one treatment.

## chemical peels

All Chemical Peels include Microderm or Dermaplane

### **VI PEEL** (Starting at \$250)

Improves tone, texture and clarity of the skin, while also reducing or eliminating age spots, wrinkles, freckles and hyper-pigmentation. It also reduces pore size and helps clear acne. The VI Peel also promotes the stimulation of collagen for firmer skin.

### **SALICYLIC PEEL** (Starting at \$175)

Using salicylic acid, this deep cleansing treatment sloughs off dead cells while stimulating the skin's natural renewal process. This peel also balances skin tone, diminishes fine lines and acne scars resulting in clear, beautiful skin.

### **GLYCOLIC PEEL** (Starting at \$175)

Glycolic acid, when used as a chemical exfoliant, dissolves away buildup on your skin's surface to reveal a smoother, brighter complexion.

### **LACTIC PEEL** (Starting at \$175)

This superficial peel with no downtime, is ideal for a picture perfect skin before any big event. Lactic acid gently exfoliates and leaves your skin looking tight, refreshed and hydrated. This peel is very popular for brides needing a last minute "glow".
